WELCOME TO ORPINGTON ACADEMY!

Hiya, I'm Mia and I'm the manager at Orpington Academy! I have been a part of the Centre Stage family from the age of 14 as a student at Gravesend Academy. Centre Stage gave me the confidence and love for musical theatre to further my training at Italia Conti Performing Arts College. I am now super excited to be the manager at Orpington to give all of the students the same magical experience I had growing up in the Centre Stage family! Come along for a FREE trial and join the Centre Stage family! If you have any questions, you can contact me on the details below:
