"creating opportunities for success"

19 May 2026

Dear Parent/Carer,

Year 11 Return of Science Textbooks

I am writing to let you know what the arrangements will be for your child to return their GCSE science textbooks once they have finished the exams after half term.

We ask that the three assigned science textbooks are returned to the science technicians in the following rooms at these times after the second paper for each subject. This is because the technicians will have the records of which textbook numbers were assigned originally, and we can then ensure the return is properly signed off:

Subject	Room	Date and Time
Biology	P17	Monday 8 June, from 10.45am until midday.
Chemistry	P17	Friday 12 June, from 10.45am until midday.
Physics	P17	Monday 15 June from 10.45am until midday.

If for any reason, your child forgets to return the book on these days, I would be grateful if you would make sure that the books are returned as soon as possible afterwards. It is essential that we receive all the books back so that we have enough to issue the next Year 9 cohort. If the books have been mislaid, we would be grateful for a donation to cover the cost of a replacement.

Thank you. With best wishes to your family for the exam season.

Yours sincerely

J Lebreuilly
