

NEWSTEAD WOOD SCHOOL

"creating opportunities for success"

16 January 2026

Dear Parent/Carer,

Year 12 A Level Science in Action Days

We are delighted to invite your child to attend the Science in Action conferences. The dates of these are:

- [**Chemistry in Action**](#) - **Tuesday 10 March**
- [**Physics in Action**](#) - **Friday 13 March**
- [**Biology in Action**](#) - **Tuesday 17 March**

The events run from **10.45am – 3.45pm** and the cost of each event will be **£32**.

If students are studying more than one of the sciences they can book and attend multiple events.

Students will have the chance to participate in four interactive sessions led by renowned scientists and communicators. These sessions are carefully designed to inspire students and deepen their understanding of each of the sciences. Students who attended in previous years often reference the knowledge gained during these sessions in their university applications. In addition, there will be a session focused on exam preparation and technique on each day. Full details can be found [here](#).

The venue will be The Emmanuel Centre, 9-23 Marsham Street, London, SW1P 3DW. Students will be expected to make their own way to and from the venue at their own expense.

If you agree to the details of the day as outlined in this letter, please make a payment of **£32** via WisePay for the event/s that your child wishes to attend by **Monday 2 February**. Please be aware that payment constitutes permission for the event. Places for the day are limited and will be allocated on a first come, first served basis. Should you have any financial concerns with regards to payment, please contact finance@newsteadwood.co.uk in confidence.

If you require any further information, please do not hesitate to contact the relevant Head of Department:
