

# NEWSTEAD WOOD SCHOOL

"creating opportunities for success"

17 September 2024

Dear Parent/Carer,

## Year 8 trip to Key Stage 3 Science Live – 5 November 2024

I am writing to let you know that I am organising a trip for a group of 30 students to attend the Key Stage 3 Science Live event at the Emmanuel Centre in London on Tuesday 5 November. This event will give students the opportunity to hear from eminent scientists such as Professor Robert Winston and Dr Maggie Aderin – Pocock. I hope that this will be an inspiring opportunity for students to learn more about science but also show the students where hard work in STEM subjects could lead, whether that's future learning, or employment. If you would like more information about the event, it can be found here: [London: 5.11.24 - Science live ks3](#)

Should you wish your daughter to attend, you will need to make a payment of £20 via WisePay to reserve a place on the trip. Places for this trip are limited by the allocation of tickets from the organisers, therefore places will be offered on a 'first come first served' basis. The final deadline for payment is Monday 30 September, but WisePay will no longer accept payments once all places have been taken. Please be aware that payment constitutes permission for this trip. Should you have any financial concerns with regards to payment please contact [finance@newsteadwood.co.uk](mailto:finance@newsteadwood.co.uk) in confidence.

The itinerary for the trip is as follows: we will meet in classroom B1 at 10.15am, before walking to Orpington Station. We will travel by train from there to London Victoria. We will then have about a 30-minute walk to the venue. The event starts at 12.20pm and finishes at 2.10pm. We will aim to return to school by approximately 3.30pm. Students will need to bring a packed lunch and wear full school uniform. Staff accompanying the trip will be myself, Mrs Bayraktar and Mrs Lebreuilly.

For the purpose of trip safety, emergency contact and medical information on students will be taken from the school database. Please check and update school with any changes via the Arbor app.

Should you require any further information, please do not hesitate to contact me at [ylu@newsteadwood.co.uk](mailto:ylu@newsteadwood.co.uk)

Yours sincerely,

Yuhan Lu

**Ms Y Lu**  
**Teacher of Science**

**Headteacher:** Mr Alan Blount, MA, BSc, QTS
